One-Day Price Surprises for Our Thursday Bargain Sale

Goldenberg's
Seventh and K Streets.

This once-a-week Bargain Event is built on the goodness and cheapness of the goods in it. We are constantly on the watchout for unusual trade opportunities, and never a week goes by without its full share of big bargains.

We go about gathering the items enthusiastically—and every department furnishes interesting news of seasonable merchandise far below the established price asked elsewhere for equally as good quality.

Another rousing list of big bargains for tomorrow—full of such saving importance that we venture the prediction of a record breaking day's business.

Note—Goods advertised for Thursday are not sent C. O. D.—nor can we fill mail or phone orders.

Goldenberg's
Seventh and K Streets.

A Remarkable Offer:
The Famed Munyon's Dainty Toilet Articles, sold regularly at 65c, offered for a short while at... **25c**

Briefly, we are co-operating with the Munyon Company to quickly introduce their admirable Toilet Articles to the public of Washington. The makers agreed to temporarily forego all thought of profit, and we in turn are giving all the necessary aid of displays, advertising, and other service to help the cause. The Munyon Toilet Articles are necessary adjuncts to the toilet of every particular person—and once tried it is safe to say they will always be used.

Will you take advantage of this fleeting opportunity to secure these splendid Toilet Goods at trifling cost, and convince yourself of their real merit and helpfulness?

Munyon's Witch Hazel Soap
—has already won its way to the top by force of sheer merit. It is a fine soap for toilet or bath, with cleansing and curative properties that recommend it to all users, and it makes the skin soft as velvet.

Munyon's Witch Hazel Talcum Powder
—is a delicately perfumed, soft, smooth Powder, for Milady's toilet, and is delightful after shaving.

Munyon's Witch Hazel Face and Skin Cream
—is unlike anything else on the market. It is a skin food of the best sort, smoothing out wrinkles, clearing the complexion, and imparting a healthy glow to the skin. Put up in collapsible tubes—much better than the old form of jars used for creams.
